ZERO WASTE

Looking for a bin?

Look no more ... we've removed them!

We're doing all we can to handle the waste we generate responsibly, so we now use plant-based, compostable disposables called Vegware™ and we recycle as much as possible.

vegware™

Please just leave your tray and rubbish on your table, and we'll clear it for you. If you need your table clearing sooner, give our team a wave to let them know. We'll then separate it and send it off to be processed sustainably.
