ZERO WASTE

Look no more ... we've removed them!

We're doing all we can to handle the waste we generate responsibly, so we now use plant-based, compostable disposables called Vegware™ and we recycle as much as possible.

Please just leave your tray and rubbish on your table, and we'll clear it for you. If you need your table clearing sooner, give our team a wave to let them know. We'll then separate it and send it off to be processed sustainably.

Thank you
